THOUSANDS AGREE AS TO THIS

That Black-Draught Is Excellent for Stomach and Liver Disorders, Hence Its Great Popularity—Mississippi Planter's Indorsement.

Houston, Miss.—Mrs. J. A. Trencher, a well-known planter of this place, recently related his experience in using Thedford's Black-Draught. "I don't believe there is a better liver medicine made," said Mr. Trencher. "I use it for headache, stomach disorders and torpid liver."

"It is not bad to take, does not leave a constipated condition, as so many of the liver pills and medicines do. It does its work and leaves you feeling like a new person."

Thousands of others have found Black-Draught as helpful as Mr. Trencher describes and a valuable remedy for derangements of the liver, stomach and bowels. It is purely vegetable, having an active effect upon the bowels, gently stimulating the liver, and helping to increase the flow of bile.

Black-Draught has been found to assist in the digestion of food, and relieves constipation in a prompt and normal way.

On account of Black-Draught's long-proved merit and immense popularity, many imitations are being offered for sale. For your own satisfaction it will pay you to insist upon the genuine and be sure the package bears the name "Thedford's Black-Draught."

"Kirk's Rheumatic Remedy" Grandest On Earth. Try It.

Mrs. S. E. Morris, Florence, S. C., was advised by a friend to try Kirk's Rheumatic Remedy. It is just another case of what the right medicine will do. She has written a letter to Kirk Chemical Co. as follows:

"Kirk's Rheumatic Remedy is the grandest medicine on earth to me. It relieved me of my rheumatism when all other medicines failed."

"I had just given up the idea of ever being well again when a friend of mine advised me to try Kirk's Rheumatic Remedy. After telling me the good results she had, I decided to try it. I cannot praise Kirk's Rheumatic Remedy too highly, as I owe my life to it."

"I wish everyone suffering with rheumatism would try it, as I feel sure that they will be greatly benefited by it. We don't give up when other medicines fail, but try Kirk's and see what a wonderful medicine it is."

Kirk's Rheumatic Remedy is also recommended in the treatment of painful and aching joints, lumbago and chronic headaches. It has given relief to hundreds of people who have despaired of ever being well again and who would only try Kirk's because sold on a positive money-back guarantee.

This same guarantee applies to Kirk's Vigorant, a fine tonic; Kirk's Cough Syrup; Kirk's Chill Tonic; Kirk's Sarsaparilla Blood Purifier and Kirk's Liniment, made by Kirk Chemical Co., Memphis, Tenn. Sold by druggists everywhere. adv.

HYLAN FIGHTS CARFARE.

NEW YORK, June 26.—Mayor Hylan told the board of estimate yesterday he would "go to jail rather than vote for an increase in street car fares" on the Staten Island Midland Railroad company. The statement followed an announcement by the board that it had voted to forfeit ten franchises held by the company, who suspended operation in January on the ground that a five-cent fare was not sufficient to make it pay.

BODIES WASHED UPON ISLAY TO BE EXHUMED.

PARIS, June 26.—Exhumation of the bodies of 489 American soldiers which were washed upon the rocky shores of the island of Islay off the Scottish coast after the sinking of the transports Tuscania and Otranto in 1918, will be started July 1, it was announced here yesterday.

The Scottish clan which inhabits the lonely spot has taken the most tender care of the graves, and the chief had given a pledge that the clan would look after the graves as if they were its own until the end of time. The chief pledged that the bodies be left on the island, but the relatives in many cases wished the return of the bodies and it was decided by the graves registration service to remove them all.

The coast of Islay is so steep and rocky that the coffins will have to be carried down steep trails cut in the rocks or lowered by ropes and tackle to a waiting barge which will convey them to a transport standing off shore.
